REPLY TO
ATTN OF:

AFCIN

SUBJECT:

10 OCT 1962

TO: Lt General Marshall S. Carter, USA
Deputy Director
Central Intelligence Agency
Washington 25, D.C.

Dear General Carter

On behalf of the AFCIN Reserve Officers' Training Group, I would like to express our deep appreciation for the interesting and provocative panel discussion which four representatives of the Central Intelligence Agency conducted on Wednesday evening, 3 October 1962. We are most indebted to [redacted] STAT

[redacted] for their profound handling of the subject, "Communist Strategy and Tactics in Creating and Exploiting Insurgency Movements".

This outstanding presentation, which followed the excellent briefing two weeks ago by [redacted] also of CIA, was the third in a year-long series of meetings which the AFCIN Reservists are holding on counter-insurgency and related Intelligence problems. It is evident that, with the assistance and cooperation of highly qualified CIA personnel, the program is off to a very successful start. STAT

Sincerely

Jack E Thomas
